

Contributor Receipt & Acknowledgment

CONTRIBUTOR 002 · STEVE JANS · SEPTEMBER 14, 2026

Contribution received

Original designer: Steve Jans

Contribution: Rounding Jack / Brim Trimmer

Current submission: Rounding Jack One Color.3mf, supplied again on September 14, 2026. This two-plate, seven-part project replaces the previously posted five-plate package.

Ownership and our commitment

Thank you, Steve, for sharing your updated rounding jack and your conformer assembly video with the Blocksmith Works community.

Blocksmith Works acknowledges receipt and will share the supplied 3MF unchanged and free of charge through the Community Tool Crib. Steve retains ownership and authorship. We will not sell the file, claim it as our design, or license contributed files or printed models for sale without Steve's express written permission as file owner. Any modification or broader licensing arrangement will first be discussed with Steve and documented separately.

Original rounding-jack design by Steve Jans. Contributor 002.

Conformer assembly video

Steve also supplied this link for inclusion with his tools:

<https://youtu.be/PMh6FXHpzBw>

The video is identified as conformer assembly guidance. Linking it does not transfer ownership of the video.

If you change your mind

Steve may request withdrawal by replying to our email, emailing BlocksmithWorks@gmail.com, or using the website feedback form. Please identify Contributor 002 and the affected file or video link. Upon receiving the request, Blocksmith Works will deactivate the relevant download or link under its control. This cannot recall copies already downloaded by others.

Steve, please let us know if any details or your preferred credit need correction. This acknowledgment records receipt; it does not transfer ownership or replace your terms with another license.
